

**Number fun**

Find collections in your house that equal 5

E.G 5 spoons, 5 shoes, 5 cups

**Card games**

Play a card game like snap or uno.  
How did the numbers help you?

**House**

Build a house using things you have at home. What did you use? How many of each thing did you use? What 3D shape was your house?

**Lollies**

I have 5 lollies and Sammy has more than I do. Draw how many lollies Sammy has.

**Legs**

I see a fence and I can see 12 animal legs.  
Draw the legs of the animals

**Donuts**

I have a donut with 12 sprinkles. Draw how the sprinkles could be arranged so they are easy to count.
