

### MUSIC - POST TO YOUR MUSIC SEE-SAW FOLDER

<p><b>BeepBox</b>  <a href="http://www.beepbox.co">www.beepbox.co</a>  <b>Make a song in BeepBox:</b>                  Use Different patterns and instruments:                  Remember the “Less is more” approach we use when we make songs using BeepBox. Experiment with different instruments and “Scales” - The buttons on the side of BeepBox will help you with us.</p>	<p><b>Rewrite the lyrics to your favourite song:</b>                  Change the words to your favourite song and turn it into a ‘parody’ – parodies are songs with re-written words to make that song sound ‘different’ or funny’                  Think about “Substituting” certain words for ones that make it sound ‘quirky’.</p>	<p><b>Drum without Drums!</b>                  Step 1: Pick 2-3 things from around your house that make a cool noise!                  Think of things that make “beats” check out this clip of a guy making a drumkit using his bed  <a href="https://www.youtube.com/watch?v=CIOGuXj8UYk">https://www.youtube.com/watch?v=CIOGuXj8UYk</a></p>	<p>The Music Lab Experiments Hunt!  <a href="https://musiclab.chromeexperiments.com/">https://musiclab.chromeexperiments.com/</a>                  Using the link above find the following apps that:</p> <ol style="list-style-type: none"> <li>1. Can make a beat AND music</li> <li>2. You can ‘draw’ music</li> <li>3. Makes a weird sound</li> <li>4. Has an animal in it</li> <li>5. Looks like a Piano</li> </ol>

### P.E. - POST TO YOUR MUSIC SEE-SAW FOLDER

<p><b>Act of Kindness:</b>                  Students have to perform an act of kindness around the house to help their family. This could be doing the dishes or other household chores.</p>	<p><b>Design your own Sporting Equipment:</b>                  Use materials you have around the house to design a piece of sporting equipment. Think about how that piece of equipment can improve either your catching, throwing, or striking skills.</p>	<p><b>Go on a family walk, bike ride or run around your local area or to the park. Exercising with the family can be fun and relaxing!</b></p>	<p><b>Are you Looking for more fun activities to do during lock down? Visit our River Gum’s PE website where it has many fun activities such as Yoga, Dance, Fitness and competition games. Click this link</b>  <a href="https://sites.google.com/education.vic.gov.au/river-gum-p-e-sport/p-e-classes/games-and-fitness-activities">https://sites.google.com/education.vic.gov.au/river-gum-p-e-sport/p-e-classes/games-and-fitness-activities</a></p>

### SCI-TECH - POST TO YOUR SCITECH SEE-SAW FOLDER

<p><b>TinkerCAD</b>                  Log into TinkerCAD and make something. Use the basic shapes -- finding a Nintendo Switch, sailboat, or spacecraft in the library doesn’t count as ‘making.’ We can print out your creations when we’re back at school. You do not need your own 3D printer.                  You’ll find your class code on SeeSaw.</p>	<p><b>Make something</b>                  Make something using materials you’ve already got at home (cardboard boxes, wool, paper, etc). Post a photo of your work on SeeSaw.</p>	<p><b>InkScape and laser cutting</b>                  This task is only for people who have computers. Download and install InkScape (see <a href="https://inkscape.org/">https://inkscape.org/</a>) and design something to be laser cut when we’re back at school. The Grade 3s have been making teddies. One student designed her own purse. I’ve made a wooden board and a dinosaur skeleton. What can you make?</p>	<p><b>Cooking and gardening</b>                  Help out with the cooking and/or gardening. Post a photo of what you’ve done on SeeSaw.</p>

## Extra Art Activities!

### Drawing an object

Take a photo of something in your garden (Example: Tree, plant, leaf or flower) and draw this object. Pay close attention to detail with colours, style and texture.

Upload a picture of the drawing when completed.

### Create an origami dog.

Follow the link: <https://youtu.be/lHu3K-ZuOFs>

With a piece of paper at home, follow these steps to create your origami dog.

Take a photo and upload to SeeSaw when completed.

### Nature Mandala

Make a sculpture/mandala inspired by nature artist Andy Goldsworthy. Use items found in nature such as leaves, twigs, stones, etc. that you may find in your garden or on a walk. Create your artwork using these items and send a photo in via See Saw. Check out this video for inspiration.

<https://www.youtube.com/watch?v=f6i5cxbm6ac>

### Japanese Anime

Have a go at drawing Japanese Anime figures! Here are some tutorial videos on how to draw faces and eyes. Make sure you use a sketching technique so it's easier to achieve the desired shape. Remember mistakes are all part of the improving process. Upload your pictures to See Saw!
