

Lego

Grab some Lego and make a pattern. What colours did you use?
Count the pieces.

**7**

Rainbows have 7 colours. What else in your house can you find in groups of 7?

Spiders

Spiders have 8 legs. Draw 3 spiders.
Count the legs

**1 minute**

What takes you 1 minute to do?
Count how many star jumps you do in a minute?

Pencils

Find a pencil in your house. What else is the same length as your pencil?

Tower

Find things at home you can build a tower with?
Can you make the tower as tall as you are?
