

Sandwich

Make a sandwich for lunch. How will you cut your sandwich? Use fractions to help you

**Days**

Make a timetable of everything you have done this week.

Number facts

What is your favourite number? Write all the number facts you know for this number.

Birthdays

Make a list of all the things you need for a birthday party. You need to make lolly bags. How many bags do you need? How many of each lolly? Make sure they are fair
Draw the bags.

33

How many ways can you make 33?

Draw these numbers

- 13
- 45
- 88
- 2
- 76
- 876
- 100

You can use pictures, ten frames, MAB etc
