

Year 2 Literacy Grid - Focus: Reading & Fluency

<p>Rhyming Words For each word below, think of 5 words that rhyme with it.</p> <p>smile: who: hall: sing: whale: land:</p> 	<p>BECAUSE</p> <p>'Because' is a red word. It is really difficult to spell. Make up your own mnemonic to help you to remember how to spell it. A mnemonic is a tool that helps us remember certain facts. It could be a song, rhyme, image, phrase or acronym. Here is a mnemonic that I learnt to spell the number 8</p> <p>Eddie Is Gobbling His Tea E I G H T</p>	<p>Make a list of as many words as you can that have the 'wh' sound. I wonder how many words you can find? It is not as easy as it seems. Can you find more than 25?</p> 
<p>Picture Story Books Online – Windows</p> <p>Go to YouTube and watch and listen to the story 'Windows.' Link can be found underneath the grid.</p>  <p>Why do you think the children are inside and looking out the window?</p> <p>Why does Grandpa say 'Just for now I'll keep away?'</p>	<p>Reading Eggs</p> <p>Spend up to 30 minutes on Reading Eggs.</p> 	<p>Poem: I Saw My Teacher on a Saturday</p> <p>Go to You tube by following the link https://youtu.be/KX6ITcTQF1U</p> <p>Please read each verse of the poem with me. Then there is time for you to read each verse on your own. Your focus for this poem is to read it with as much expression in your voice as possible.</p> 

Link to the online story 'Windows' by Patrick Guest and Jonathan Bentley
