

Everyone has done an amazing job with the Friday Maths challenges. Today is a FUN FRIDAY Maths challenge.

Maths is all around us. We use Maths when we cook, when we play games, when we are driving etc.

**Today your challenge is to find how you use Maths everyday 😊**

Then you need to take a picture of it and upload it to seesaw.

**Some examples include:**

- Cooking
- Playing a board games
- Playing card games
- Making a fort
- Construct a craft idea using measurements
- Helping mum or dad with online shopping
