Legs

There is a big fence and down the bottom of the fence, you can see 100 legs. Draw the animals, which are behind the fence.

MONEY MADNESS

- ▹ Your parents have asked you to work for them over the holidays. You can choose one of two payment options.

- ▹ **Option One** is you will get $9.50 on the first day, then your pay will increase by $2.20 each day she works after that.

- ▹ **Option Two**, is that you will get 90 cents for the first day you work but for each day you work from then on, your pay will be doubled.

- ▹ The holidays are 14 days long.

- ▹ 1. How much does each Option pay each day?

- ▹ 2. How much does each Option pay in total?

- ▹ 3. Which Option do you pick?

TIP: Set out the following table in your grid book to help you work out the pay each day.

	Option 1	Option 2
Day One		
Day Two		
Etc….		
Total Pay
