

## Foundation Perceptual Motor Program.

Welcome to PMP! This term we have been busy practicing our fundamental movement skills. These include walking, running, jumping, balancing, crawling, skipping, leaping, hopping and upper and lower body strength.

We have also been learning about healthy choices to make for our bodies. To keep our bodies healthy, we can make healthy food and drink choices with less sometimes foods, we can exercise, clean our hands and make sure we give our bodies enough time to rest at night.

Miss Nichols and Mrs Whyte are very impressed with the Foundation students' gross motor skills and knowledge of healthy choices.

## EVERY DAY COUNTS...

**A day here or there doesn't seem like much, but...**

When your child misses just...	that equals...	which is...	and therefore, from Kindy to Year 12, that is...	This means that the best your child can achieve is...
1 day each fortnight	20 days per year	4 weeks per year	Nearly 1 ½ a years of school	Equal to finishing Year 11
1 day a week	40 days per year	8 weeks per year	Over 2 ½ years of school	Equal to finishing Year 10
2 days a week	80 days per year	16 weeks per year	Over 5 years of learning	Equal to finishing Year 7
3 days a week	120 days per year	24 weeks per year	Nearly 8 years of learning	Equal to finishing Year 4

*Give your child every chance to succeed...*

**Every day counts!**

The State Government have launched an Active Kids Voucher Program where parents who are eligible can be reimbursed \$200 on sporting or recreation club registrations for their children aged between 4 and 18.

To be eligible for a voucher your child/dependant must be:

- Aged 4 to 18 years
- A resident in Victoria
- Named on a current (at the time of your application) Australian Government Health Care Card or Pensioner Concession Card, and named on a valid Australian Government Medicare card.

What can parents be reimbursed for:

- Registration or general fees to participate in sport or active recreation club, association or program
- Equipment and uniforms required to participate in the activity
